

2010 SPONSORSHIP PLAN

Sponsorships continue to provide PFLAG the tools to get our message of support, education, and advocacy out to an ill-informed society rife with prejudice and hate. Happiness and the strength of our families is at the heart of all our work. We have been serving the greater Austin, TX area for over 15 years and we have a lot planned for the upcoming 2010 year.

PFLAG is a 100% volunteer non-profit 501 C3 organization and has no paid staff members. Every penny that is sponsored goes towards serving PFLAG's mission.
